EXPERIENCE

Senior Product Manager · Visa Inc. Oct 2022 – Present

- Drove 157% growth of a global payment program and tripled the client base by building go-to-market systems, operationalizing partner engagement, and executing cross-functional revenue strategies; promoted 2x in 3 years.
- Managed and resolved 40+ enterprise client escalations per quarter, reducing resolution time 35% through cross-functional process fixes and trusted C-suite relationships.
- Reduced client implementation timelines by 80%+, directly improving speed-to-revenue for enterprise partners; built internal stakeholder networks that accelerated approval and execution of strategic initiatives.
- Built an AI-enabled Copilot agent to automate internal Q&A and centralize program documentation, saving 150+ hours annually and freeing team capacity for client-facing work.

Account Director · Donnelley Financial Solutions Jul 2017 – Feb 2020

- Achieved 150% quota attainment using Challenger Sale methodology; earned Top North America Sales Representative recognition and accelerated promotion.
- Managed and expanded C-suite relationships across financial institutions, law firms, PE firms, and Fortune 500 organizations; partnered with Product to advocate for client needs and influence the roadmap.

Product Marketing Manager · Green Feather Software Mar 2020 – Nov 2020

- Generated 200+ prospective client opportunities through strategic ABM campaigns and Pardot marketing automation execution.
- Developed customer-research-driven messaging informed by A/B testing, improving email engagement 30%; authored strategic content across blogs, LinkedIn, and case studies to enhance brand positioning and support business development.
- Leveraged client insights and market research to inform feature development, product enhancements, and roadmap priorities.

Product Manager / Founder · Everything Athletes Nov 2022 – 2024

- Built and positioned a mental health platform, owning product narrative, content strategy, and audience growth across social media; published research-driven book with 1,000+ copies sold.
- Collaborated with PR stakeholders to drive brand visibility through media placements, radio partnerships, and sports psychologist collaborations; spoke at universities to expand community reach.

Market Response Representative · RentPath Feb 2016 – Jul 2017

- Achieved quota in 11 of 12 months through strategic inbound and outbound sales; maintained CRM reporting and pipeline visibility to support forecasting; named Rookie of the Quarter and promoted within 12 months.

Product Analyst / Product Owner · Bellwood Labs Mar 2022 – Oct 2022

- Translated customer needs and business objectives into product requirements; conducted user interviews and market research to develop buyer personas; authored 500+ user stories and led agile delivery.
